You will see from the foregoing settlement that there is a bal-nce due the County of \$3,607.31; this balance is made up of pernal property and of tithes, which is uncollected by the Sheriff, nd the Sheriff says he is unable to collect this tax. Yet it would well for the Court to examine the list of property and tithes ed herewith and see if it is uncollectable.

All of which is most respectfully submitted. W. S. HUNLEY, Comr.

Richmond, Ky., April 15, 1913. You will see from this settlement that on April 1, 1913, there was a balance due the County of \$3,607.31, but on April 15, 1913, the Fiscal Court met and allowed the said Sheriff a credit for 2,029

tithes and \$15,660 worth of personal property as delinquent with

list of same filed herewith; also \$9,630 worth of property which was exonerated by the County Court. See exonerations filed here- and appropriations were made by the with and made a part of this settlement.

The said Sheriff also filed a receipt from the County Treasurer for the sum of \$547.16, being the balance in full due the county for the year of 1912, making the said sheriff square with the County for the year of 1912. All of which is most respectfully submitted to the Honorable

Court for approval. W. S. HUNLEY, Comr.
